

A Peek at our Week

Thank you so much for helping your child with the rhyming bags! They had loads of fun trying to figure out, which rhyming word is in the bag.

We enjoyed our field trip to Whitehouse Farms even though it was a bit soggy! I am sure your child told you all about the bus ride as well😊.

The cooler weather seems to be fast approaching, so you might want to make sure your child has a sweater or jacket for outdoor play time.

Please make sure that your child wears socks on Wednesday's (Yoga Day!)

I will be attending meetings next Wednesday and Thursday, therefore I will be out of the classroom. A substitute and Mrs. Gordon will be there for the children.

We should be finishing up with "Spotlight name of the Day" soon. We are getting so much better at thinking of words that start with the same letter as our friends name, counting the beats (syllables) in their name and coming up with rhyming words. I introduced letters M, N, O and P this week as well as the poem "Way up High in the Apple Tree". We will be putting these in our Poetry Journals to bring home and share with you early next week (more information to come!)

In Science we continue to discuss APPLES, APPLES and more APPLES
and in Religion we are discussing how God made the light and water.

Have a wonderful weekend!!
