We had lots of fun this week rhyming our own name, our friend's name and enjoyed rhyming songs and activities . We will continue to work on this important skill for the next few weeks. I also introduced letters I, J, K and L this week. We touch on the long vowel sounds but our main focus at this point is the short vowel sounds (A as in apple, e as in elephant etc...). I also introduced the children to their very first high frequency word of the year, "I". It is a good idea to keep

track of these words as the year goes on so your child can practice at home. Flash cards are great! Please continue to practice the above concepts....honestly; it makes a huge difference😊.

In Math we continue with positional words, shapes and logical reasoning. We start a new chapter next week: sorting!

We are having fun talking about APPLES to prepare for our field trip! We discuss the parts of an apple, stages of the apple tree and next week....Johnny Appleseed along with other fun apple activities.

In Religion we continue with "ALL that God Made"

Please feel free to contact me with any concerns or questions. I arrive at school by 8:00 and I am always available after school as well.
