

September, 2012

Dear Parents,

Welcome to a new school year. Your child is about to embark on an exciting learning adventure - and you can come along!!!

My name is Mrs. Sebastiani and I will be your child's teacher this year. I am really looking forward to a great year with your child.

We are going to have a busy and productive year, filled with exciting learning activities, social events and so much more.

Throughout the year, you will receive a monthly newsletter from me. This letter will provide you with important information and keep you informed on all the activities that will make this a successful and memorable year.

The "Letter People," will be introducing the Alphabet throughout the year in what we think will be a fun learning experience for your child. It is our brand new Language Arts curriculum filled with many hands-on interactive materials.

The children were introduced to Mr. N as they learned about his noisy nose and fun song that went along with it. They also cut out a letter "N" and decorated it with numbers. They learned words that began with the letter "N" and enjoyed making noodle necklaces. We will also be making an Alphabet Book so that the children can take it home at the end of the school year. The number one was also introduced as they had fun counting out one apple and gluing it onto an apple tree.

Each week your child will be introduced to a special religion lesson, that you can also continue to reinforce at home. So far we have learned "God made me," (I am special), and "God made my family."

I am looking forward to sharing this year with you and your child. If you have any questions, please do not hesitate to contact me. It is my belief that positive interaction between teacher and parent strengthens the feeling of support that all children need for success in school.

Sincerely,

Mrs. Sebastiani
