

# A Peek at our Week

*Our two T.K. classes here at U.P.S.K will be putting on a short Christmas musical; December 11<sup>th</sup> at 11:30 in the main center. More information will follow, but I wanted to let you know of the date so you can mark it on your calendar.*

This week in Reading, we continue to work on the short "A" sound and form word families from that vowel. Please help your child to think of more words from the "A" word families such as the am, at, and ad word families. We are also working on sequencing this week as well as a review of letters A-N. Our new sight word is "THAT", please add it to your list of words. Our next class book is making its way to everyone's home...hope you enjoy it!

In Math we completed our chapter 5 assessment which was on numbers 1-5. We will begin to focus on numbers 6-10 which includes correct formation, more or less, and forming groups

which when put together equal that number. Thank you for all the tracing practice at home....every little bit helps😊.

In Social Studies we have been discussing The First Thanksgiving and the Pilgrims and Indians.

Have a wonderful Thanksgiving with your family!
