

To the Parents of the Three Year Old Class:

Wishing all of you a very Happy and Blessed New Year. To start the year off, we will be working on motor skills, counting numbers 1-10, and learning the ABC's.

We have learned and developed recognition of the numbers 1-10. The class will continue to learn and recognize the numbers.

As a snack day reminder for you, please have the child bring in their assigned snack. They are also encouraged to bring in a small item that they enjoy at home. They are also allowed to bring in a book that they enjoy to share with the class.

The children have shared their favorite Christmas item with the class. This went very well. The class enjoyed seeing others toys!

We remind you to dress the children according to the weather. Soft warm clothes are always the best.

Our Religion Classes will mainly be on loving God in our every day life. We always praise and thank him for all he has given us. We will follow his footsteps in loving and being good.

Happy New Year,
Mrs. Calo
