

February, 2013

Dear Parents,

February is the month of friendship and love, red hearts, valentines and special cards made for special people.

As February got off to a start, the children had fun making some fun Valentine art projects. Not only have we been learning how to make many different kinds of animals out of hearts, we have also been talking about the importance of caring and sharing. During circle time the children were asked what "Love" meant to them. It was definitely a heart warming week, as well as, the building up of self-esteem.

We continued learning our Alphabet letters as we added the letter "Gg" to our booklet, and had fun painting gold glitter onto our "G's." We then added the letter "Tt" to our Alphabet Books, as the children had fun gluing turtles onto their page. This week we added the letter "Ss" and had fun gluing stars onto our "S's." We have also continued learning and reviewing numbers 0-8.

The following religion lessons have been covered since our previous newsletter. "I Can Clean," "I Can Share," "I Can Smile," and "I Can Celebrate."

I hope that all of you have a very Happy Valentine's Day. As always, if you have any questions or concerns, please do not hesitate to contact me.

Sincerely,
Mrs. Sebastiani
