

Dear Parents,

March, 2013

Welcome Spring !!! It is finally here but the weather is not acting like it is Spring. I know after our Easter Show on Monday It will make you feel like Spring has Sprung.

Our Easter Program will be held on Monday at 9:00 at the center. The Easter Celebration will begin immediately after the program. The children will enjoy various games, craft projects and activities that are planned by the room mothers assigned to the Easter Party. Please, remember to send in the party treats for all to share and enjoy. We appreciate your kindness and generosity towards all the children. We will have normal pick up time of 11:00. It should be a fun filled morning. Please, continue to practice the song for the program. This truly helps the children learn the songs. Thank you.

Holy week will be observed and talked about in our Religion Class. We also will continue to have our Lenten Prayer Service with the entire school. We are learning that God's Love will keep us Holy and Good, that is why we follow in his footsteps.

We have worked on different letters this month. We have introduced Q, V, L and U. We always discuss pictures that begin with the specific letter. We look and search for pictures that they enjoy and relate to.

Our number recognition is complete up to number 18. We will be working on 19 and 20 after Easter. Please, review and continue counting with the children. they love to count and clap the amount of the number.

Our book fair was a great success. The children really enjoyed shopping with their grandparents. The best gift to a child is a book.

I would like to wish all our UPSK Families a very Blessed and Holy Easter. Enjoy Spring and our beautiful Easter Season.

Blessings to all,

Happy Easter.
