

WRAPPING UP

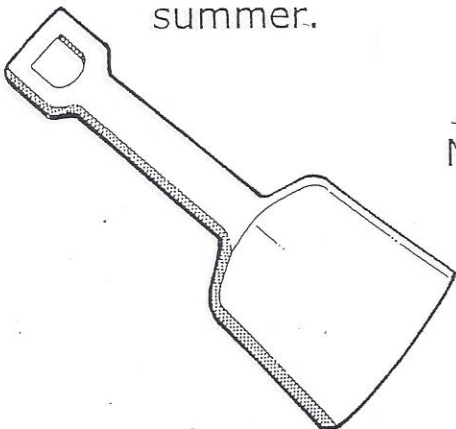

Dear Parents,

The last of May has arrived and that means that the end of the school year is near. Our class has grown so much in so many ways over the year. I have truly enjoyed watching the children blossom as our year progressed.

I have been overwhelmed by your endless generosity throughout the school year. I have been deeply touched by all of your kindness. Your loving words of encouragement have been amazing. Thank You, Mom's and Dad's, for the many gifts and for making our parties so memorable and exciting. Your help with all the special events made this a very successful and great experience for all of the children.

I have truly enjoyed teaching this year. The children have developed and grown beautifully. Every child is so very special to me, and we have made memories that will last a lifetime.

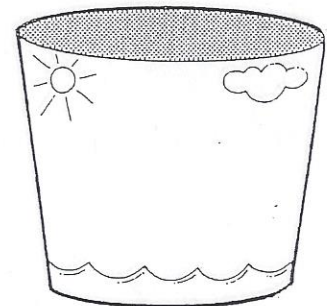

Thank You for making that possible by sharing your little one with me and entrusting your child to my care. What a wonderful gift!!!! Take care, and have a super, safe summer.

Many Thanks and Lots of Love,

Mrs. Sebastiani
