Four Year Old Class

September 2013

Welcome to the 2013-2014 school year. We hope that you had an enjoyable summer and are ready for the changes and challenges that our school year will bring. If you have any questions or ideas to share, please don't hesitate to talk to us. We appreciate your enthusiasm.

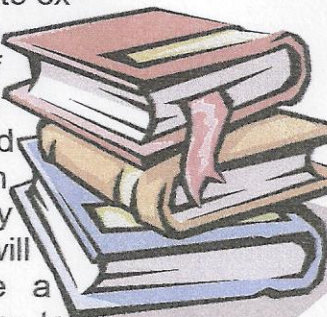

Snacks:

You will be receiving a snack list showing the day and snack that your child should bring. He/she will be the classroom leader that day. Also, on your child's snack day please bring in one book to be read during our library time making sure the book is age and length appropriate. One "Show and Share" item may also be brought in to be shared with the class.

Classroom Library:

For the first time this year the children will have the opportunity to experience their own in-class version of the public library! Cards will be issued this month to each child. On a weekly basis the children will be able to choose a book from the library to take home. This promotes responsibility and a love of reading.

Color Days:

In our first weeks we will focus on primary colors. September 9th will be "Red Day," September 18th "Yellow Day," September 23rd is "Green Day" and September 30th is Blue Day. On these days please have your child wear an article of clothing including our color of the day.

Alphabet Days:

Exploration of the alphabet letters, both upper and lower case, will begin this month. "Letter People," our Language Arts curriculum, is filled with hands-on interactive materials. Listen to your child as he/she becomes friends with each of our 26 "Letter People."

Just a reminder, please label your child's articles of clothing and book bag with his/her name.
