September, 2013

Dear Parents,

I would like to welcome you and your child to the start of a new school year.

My name is Mrs. Sebastiani and I will be your child's teacher this year. I am really looking forward to an exciting learning adventure - and you can come along!!!

We are going to have a busy and productive year, filled with exciting learning activities, social events and so much more.

Throughout the year you will receive a monthly newsletter from me. This letter will provide you with important information and keep you informed of all the activities that will make this a successful and memorable year.

We have started the year out by learning our "Colors and Shapes." We went on a shape hunt, we have learned many new songs, and we have created many beautiful art projects that will strengthen your child's fine motor skills. I have also been working with the children on having them recognize their name.

I will be introducing the alphabet throughout the year in what I think will be a fun learning experience. Each week we will be learning a new alphabet letter. We will also be making an Alphabet Book so that the children can take it home at the end of the school year.

Each week your child will be introduced to a special religion lesson, that you can also continue to reinforce at home. So far we have learned "I can hear," (I am special), and "I can see," (God gave us eyes to see).

I am looking forward to sharing this year with you and your child. If you have any questions, please do not hesitate to contact me. It is my belief that positive interaction between teacher and parent strengthens the feeling of support that all children need for success in school.

Sincerely,

*Mrs. Sebastiani*
