Four Year Old Class

January 2015

We welcome in the New Year with excitement about the upcoming school month. We continue to concentrate on the alphabet with special emphasis this month on the letters Ee, Yy, Gg, Tt and Ss. Reinforcement of previously introduced letters will be continued.

We continue our religious series this month with understanding and praising God for flowers, trees, colors and weather. Related hands-on projects will be coming home.

Weather and temperature permitting, it is possible that we will have an activity filled day in the snow. A notice will be sent home in advance in order that you may dress your child accordingly.

Parent-Teacher conference day will be held on Wednesday, January 21st. The children have shown growth and development in all areas— physical, social and academic. In order to discuss your child's growth I would like to schedule a conference with you. A sign-up sheet will be posted outside the classroom. Regular class will be held.

During the week of January 19th our focus will be on "Manners." During this week we will meet Sherman the Sharing Shark, Terry the Turn-Taking Turtle, Myron the Well-Mannered Moose and Peter the Purple Picker-Upper who will enhance our understanding of specific manners. Watch for crafts coming home associated with these manners.

Catholic Schools Week is the week of January 26th. Watch for our related artwork coming home.
