Four Year Old Class

May 2015

Summer's Almost Here!

We're in the final preparations for the end of the school year. It seems as though it was just yesterday that "Barney the Bookworm" had only a few books of growth. It's hard to believe that at last count, Barney had grown to a length of 290 books! Since those beginning days, the children have shown such growth and progress. We are very proud of them.

End Of Year Program

Our end of the year "Nursery Rhyme Program" will be presented on Friday, May 22nd. You won't want to miss our last presentation of the year. We are excited about our performance.

Mother's Day

Happy Mother's Day to all our Mothers and those who give Motherly love. The children have been busy making special gifts to present to their mothers and are excited and proud of their creations.

Class Picnic

Mark Wednesday May 29th, on your calendar! Dress according to weather and be prepared for your child to spend a day filled with fun. Various activities are planned in which all can participate. It promises to be a day that the children will remember.

Last Day of School

The last day of school is Friday May 29th.

As always, we would like to thank you for the support, cooperation and enthusiasm you have shown during the school year. We have thoroughly enjoyed spending time

with your children and hope you feel as we do, that it was a very successful year. We wish all of you a safe, healthy and happy summer.
