

PreSchool Enrichment Philosophy

The children, in a mixed-age group, guided by qualified teachers, will explore their world through thematic units. This will encourage children to build self-esteem, friendships, confidence, interdependence and independence. The UPSK Enrichment program is designed to enhance our preschool program.

UPSK PreSchool Enrichment Program is open to all Ursuline PreSchool students who are registered in our 3's & 4's preschool program.

Your child can attend Enrichment on a regular scheduled preschool day or an "off" day.

PreSchool Enrichment Registration:

PreSchool Enrichment is a registered class in addition to your regular Preschool class. You must register for the Enrichment program separately from the Preschool program. Please fill out this registration form and return it to the office. Enrollment in the Enrichment program is limited.

No Registration fee required.
