

Time for Two

Thank you for joining us for Time for Twos! Now that we've had a chance to explore our new environment we can start our regular schedule.

Our (flexible) schedule:

9:00-9:25 Group Play

9:25-9:40 Circle Time (songs and stories)

9:40-10:00 Snack & Craft (or activity)

Please don't stress about being late. I understand what it's like to travel with a two year old. If you are a few minutes late you will still have time to visit and play before we start circle time.

What's Up in Room 8?

Our first week of school was filled with new friends and fun activities like our colorful rice table, puzzles, blocks, a train table and a steel drum.

Our second week was so much fun! We read Brown Bear, Brown Bear, What Do You See? Our "twos" each had a part in telling the story on our classroom felt-board. I was so impressed by how well each of the kiddos did cooperating, listening and participating. They did a wonderful job! Each child also, made a brown bear craft.

Thank you! Thank you! To my parents and grandparents who have joined us each week. I love seeing you getting to know one another. I am so happy you are enjoying each other's company. We have a few new friends who will be joining us next week. Please make them feel welcome.

Our classes are full! We will be adding a third class on Friday mornings at 9 a.m. If you know anyone who wants to join us, have them call the school for more info.

Thank you for making our class so great!
Mrs. Klepec
