

A Peek at our Week

Mrs. Gilson's Kindergarten Class

October 19, 2015

We sure had a great time at the pumpkin farm!! I'm sure your child told you all about it. I was so proud of them.....they were very well behaved!

With the cooler air here, please have your child practice putting on their own coat as well as zipping and buttoning. Do not fret though; we are always here to assist 😊.

Our Grandparents/Special Persons Day is the 21st, we hope to see many visitors 😊. If your child will be leaving with their special visitor after the program, please fill out the attached sheet and return on Monday. This is not mandatory however some grandparents would prefer not to have to make a second trip back at 3:00

*Our story this week in Reading was Life in an Ocean. Our focal skill was compare/contrast and our new popcorn word is **HAVE**; please add to your list of words! We worked on another word family this week...the **AT** family. When the slip-in-slides come home, ask your child to come up with other words that are part of that word family. We are now learning how to blend short "A" sounds together to form words, they are doing great! We finished up our color word book today so we can share it with you. They should be able to read the 8 basic color words at this point along with all sight words covered so far. Next week I will introduce the sight word "**IS**".*

In Math, we continue to work on patterning. Thanks for the extra practice at home, they are catching on well!

*In Social Studies we are discussing **FIRE PREVENTION**. The fire department will be here on Monday to talk to us and show us their truck. In Religion we are discussing how Jesus is our Good Shepherd.*
