

Dear Families

Welcome to UPSK Pre School! This is the year for our youngest learners to shine bright in our classroom. It will be a year of magical wonders and amazing growth for our young learners.

I am looking forward to working with you and your children through out the year! My classroom is a hands on classroom and we will be doing many hands on things as we learn and complete all standards of learning. I ask all of you to please bring in a large old oversized button down shirt with the child's name written largely on the outside so we can all have something to wear when we work with our messy projects. I also ask each to bring in a 1" binder with their picture on it for their portfolio for the years work.

Our four year old children will be bringing home Mr. Bananas and will keep him from Monday till the following Monday. This activity is to teach the Children responsibility. They will be writing in his journal during that week in which you may add pictures of your child and your family with him. They may take Mr. Banana's on any journey they may want to take him on that week.

When coming in the room in the morning we will have a name signing inside the room instead of on the whiteboard outside the room. This activity is different then some of the classrooms, I do this so we can keep the name practicing through the year, showing what improvements we made. I also have attached a questionnaire about each of your children this is for student star of the week. Please fill out and bring back as soon as possible.

I am so excited to have each and every one of your children in my classroom! This is my second year at UPSK and can't wait to start the school year! My assistant is Mrs. Loney and she too started with me last year. I believe communication is the key to your child's success and to a great parent/teacher relationship. I encourage you to contact me at any time if you have any questions or concerns. I will also be sending home a bi weekly newsletter with your child's folder including anything we are doing. I also have a mailbox outside my classroom that I will check on a daily basis please feel free to contact me in any way. My email is tromeo@youngstowndiocese.org and feel free to text or call me 330-651-0340.

I am looking forward to our preschool adventure with your child, and family.

Sincerely,
