

A Peek at our Week

Mrs. Gilson's Kindergarten Class

November 11, 2016

We enjoyed listening to two special visitors this week! A member of The Mahoning County Historical Society, paid us a visit to talk about "life long ago". On Wednesday, we enjoyed a presentation given by the Mill Creek Metroparks called, "Coming to America". We learned about pilgrim life and how they planted all of their food. We enjoyed planting bean, pumpkin, and corn seeds too!

Thank you for the Thanksgiving Food Donations! We will make a special family SO happy!

Our story this week in Reading was A Bed for the Winter. Our new popcorn words are FOR and HE, please add to your list to practice! We will review these next week. We learned our second vowel sound...the short "I" sound as in "igloo". Our focal skill was sequencing and our letter this week was "I". We also were introduced to the "ID" word family this week. Please practice blending of sounds at home.....honestly, the extra practice really helps.

We finished up Chapter 4 (representing and comparing number to 10) and took a chapter test. Chapter 5 is an introduction to addition! We are moving right along with our Math skills and they are doing great!

In Social Studies the children are learning all about The First Thanksgiving.....life of the pilgrim children as well as the Native Americans. In Religion we are discussing the importance of thanking God for all that we have, and sharing with the less fortunate.

HAVE A WONDERFUL WEEKEND!
