

Dear Parents,

I hope everyone enjoyed Halloween and our Halloween Parade, the kids really had a great time at our class parties. I want to thank everyone who helped out with our parties to make them such a great success.

We have been doing so much since my last newsletter we are so busy with many projects. In October we did many Science projects we carved Pumpkins and talked about the life cycle of a pumpkin and an Apple. We also made delicious applesauce while we discussed measurements while making it. Each Child had a job in making the apple sauce which they were so excited about. We also talked about the different kinds of weather and the Seasons. We have a new friend in our classroom our class fish, in which all the classes voted on the name "BUBBLES", they love watching him swim around and watching him eat.

Religion we will be working on ABC's of the Bible, which is a great project that will take us till April to finish. I have also discussed friendships and sharing as a part of religion as well as emotions and feelings. The Children have learned their prayers we say each day without repeating them after me.

We are continuing to learn one letter each week so far we have done A, B, L, H, K, P, D, T, C and letter M. We have been covering all shapes and numbers 1-12 as well as all our colors. The Children are enjoying our musical Instruments as well as our songs and dances.

We will be having our own little Thanksgiving feast which we will be making our own pies. If anyone wants to send in snacks the last day before Thanksgiving you are more than welcome too.

I will be sending home a Christmas Family project it is called "Elf in Disguise" I will have directions for each family and also a due date. Make it as fun as you want your whole family may partake in this project if you want.

If anyone has magazines at home please bring them in for our class we use magazine for letter sound recognition for each letter we do and our supply is running out.

Please check folders on a daily basis we usually have important information in their folders was well as papers and projects.

Please don't hesitate to text me if any problems come up with your Child I really don't mind and receive the text a lot sooner than the emails.

We will be staying busy through the Holidays with many upcoming events I have planned.

Thank you for all you do for your Children we couldn't do it without you Parents!!

Sincerely, *Mrs. Romeo*

Mrs. Romeo
