

A Peek at our Week

Our Pumpkins and Prayers, Prayer Service will be Tuesday at 9:00 in the chapel...all are welcome! Just another reminder to send in one fruit or vegetable on MONDAY. Your child will carry it into the chapel as we enter!

If you have not yet paid for our field trip to EASY STREET, please do so by MONDAY. Thank you so much!

Thank you for helping your child to learn his/her part in our Christmas Program. We have already started to work on songs!

Our story for this week was Whose Garden is it? Our focal letter continues to be "I" and we reviewed HE and FOR, as our sight words. The focal skill this week was realism and fantasy. We took our Unit 2 chapter test today also. They are doing great with I word families...we are slowly learning how to blend sounds together as we s-t-r-e-t-c-h out the words! Thank you for practicing at home☺!

In Math this week, we were introduced to ADDITION! As you probably could tell by the homework, we use strategies such as modeling with cubes, acting out, or drawing a picture to help us solve word problems. They are doing great!

In Social Studies, we continue to learn about The First Thanksgiving, Pilgrims and Indians. Ask them all about it☺!

In Religion, we continue to thank God for all of our blessings this Thanksgiving. *My wishes to you for a Very Happy Thanksgiving! Enjoy this time with your child.....they sure miss you when they are at school!*
