

A Peek at Our Week

April 7th, 2017

Mrs. Gilson's Kindergarten Class

Thank you to all who signed up to bring in donations for our Easter Party and Art Show.

Each child will have a few art items displayed in our Art Show which will be held on April 28th in the atrium. The items will remain displayed for a few days, so hopefully you can view your child's art work during the week at some point☺.

Our Easter Party will be next Thursday in the afternoon.

Our story this week was On the Move. Our sight words were **WHERE** and **COME**, please add to your list... and our focal skill was the **MAIN IDEA!**

I continue to be amazed on a daily basis of how far their reading has come. Thank you for all of your extra help and encouragement at home....they're doing great!

We began a new unit in Math this week. We are learning all about 3 dimensional shapes such as cubes, cylinders, cones, spheres and pyramids. We know which shapes roll, which we can stack and the difference between a flat and curved surface.

In Social Studies we are learning about map skills and in Religion we continue to discuss Lent. We also read a bible story about a man named Zacchaeus and how Jesus forgave him!

I hope you have a very Happy and Blessed Easter!
