## About Me

Hello! I am thrilled to be a new member of the Ursuline Preschool and Kindergarten staff as the Technology Teacher for the 2017/2018 school year! I am from Canfield, and currently live in Boardman where my high school sweetheart and I raise

our three- year- old son, Jameson, and our two dogs Mina and Duke. Jameson will also be attending UPSK in the 3's preschool room, so we are BOTH very excited to make new friends and become part of the Ursuline family!
