

Dear Parents,

Happy new School Year! I am so excited to be your child's Teacher for their exciting year UPSK this year! This will be my 3rd year teaching at UPSK and I feel truly lucky to do a job I am passionate about. I will only have your child for a short time so I want to make contributions and make memories that will last a lifetime.

I know teaching must begin with making your child feel at home in the classroom and helping all the children come together in a learning environment that is made up of unique individuals, each with his or her own learning style, strengths, personality's and interests. This is why we start each day getting to know each other and have a continuation of that through out the whole year!

I would like to start by telling you a little about my assistant Mrs. Loney and me. I am married and have five Children of my own and all of them are unique in their own way. Prior to teaching Pre School at UPSK I taught dance for many years. I have Associates in Pre School Education and a BA in Social Science. I love to shop and love all Cleveland teams especially the Browns. One of the most exciting things I have ever done in my life, I was selected for the game show "Lets make A Deal" three years ago. Mrs. Loney is married and has 2 Children, Abbey a sophomore in HS and a son Ryan who is at Kent State University. Mrs. Loney is a big fan of Notre Dame football.

As a part of learning in this classroom we do a lot of imaginative things, such as travel around the world and pretending we are in different parts of the world, we also have fun imitating adults and their special Careers. This is a part of our hands on learning that the kids really love taking part of!

I will be sending folders home with a lot of information to fill out in them please return as soon as possible. The folders also are our take home folders they come back and forth to School everyday with important information in them please check your child's folder everyday. Mrs. Loney will also check every morning in case you have anything important for me. Snack should be one item and should have their name on the outside of it, juice or milk is provided by the School. Please do not have your Child bring a lunchbox; our basket is only so big. The best way to bring a snack is to put it in a plastic baggie with their name on it. Scholastic book orders will usually go home once a month please make checks out to Scholastic if ordering books. The due date for the first order will be due by September 30th any other time I will usually have the due date written on the order forms.

Our first color is Red and will be the week of September the 12th all the children may wear Red that week. I will always have the colors posted outside the classroom. Please dress your child knowing that we are hands on classroom and we do get messy at times. I love to bake with the kids, use glue, glitter and paint!!

I believe in having good communication with each and every parent so if there are any questions or concerns please do not hesitate to email, text or call me. My email is tromeo@youngstowndiocese.org or tdanceromeo@gmail.com and cell is 330-651-0340.

I am looking forward to our preschool adventures this year with you and your Child.
Sincerely,

Mrs. Romeo
